

Certificate of Employment including testimonial

Arthur Gusmao, with National ID Number 19900817-2570, has been employed by Ericsson AB for the period 07.01.2019 to 31.12.2020.

Arthur started his employment as a Data Scientist at GAIA Sweden.

During his time at GAIA, Arthur worked with several AI/ML projects, contributed to building data collection pipeline, developing machine learning algorithms, and implementing inference engine in production grade systems. Arthur was also a co-inventor in three patent applications and contributed to designing internal ML courses.

Arthur has performed his work and tasks with considerable care and great interest, to our complete satisfaction. He has proven to be a very enterprising person who assumes assignments with responsibility extremely well. Arthur also works particularly easily with other people. We would therefore like to highly recommend him today as he leaves his employment with our Company upon his own request.
